ABOUT MISS FANATIC

Miss Fanatic apparel blurs the line between fashion and sports. Miss Fanatic is a sporty and fun line designed for sport savvy women. Most sporting good stores selling team apparel have such boring styles, most of which are unflattering to a chick's silhouette. Our goal is to create fashionable swimwear and apparel that fits a woman's body and lets them fly their team colors. We combine timeless sportswear with a sexy contemporary edge. The designs we offer are unique to anything on the market. Whether you're screaming for your favorite team in the stands or catching rays at the beach, Miss Fanatic has all the gear to get you ready. We have taken care to utilize the best there is in terms of fabric and applications to create polished yet playful apparel. The collection is created with the exact jersey materials and logos you see on the backs of your favorite players in the league. So the next time you're screaming for your favorite team, stand out amongst the crowd and show people what a real fan looks like!

ABOUT THE Designer

Tiffany Pearl

Designer and Founder Tiffany Pearl is no stranger to the sports world. After 4 years with the Miami Dolphins Cheerleading organization, as captain and 2010 pro-bowl selection, Tiffany has witnessed firsthand the passion and commitment of sports "fanatics". Although Tiffany has always been a "fashionista", with a bachelor's degree in Fashion to boot, it wasn't until the final years with the Miami Dolphins that she became inspired to create the "Miss Fanatic" line. A forward thinking woman with an entrepreneurial spirit, Ms. Pearl started designing her own clothes when she was just a young girl; cutting and re-sewing much of her

own wardrobe. Her first big break came in 2008 when the Dolphins organization approached Tiffany to design swim suits that would adorn the cheerleaders in the 2008 Swimsuit Calendar Unveiling. She cut up footballs using the actual pigskin as well as player's garments to create one of a kind, functional and sexy bikinis. Looks included referee and turf bikinis as well as girls body painted from head to toe. Needless to say the response was overwhelming which led to her suits being featured in the 2009-2010 Swimsuit Calendar. Aware of the void in the market for fashion forward sports apparel Tiffany decided to take her inspiration to the next level which has now lead to the creation of Miss Fanatic.
